

## Therapy Solutions Inc. 2023

We say goodbye to 2022 and hello to 2023 in this January newsletter. We have been able to bring some old traditions back like the holiday party and raffle baskets as well as create new ones like our upcoming fall fundraiser (stay tuned for more information!) Take a look at all we have completed and achieved this year with your support and dedication to Therapy Solutions Inc.

SOCIALS

We're starting a new year recognizing there have been challenges and obstacles in 2022, but now that we're in 2023, we're looking ahead with visions of continuing time-honored traditions and embarking on a spirit of newness. We're looking forward to breathing freshness into the company and improving programming growth for children and families.

We accomplished a lot in 2022. As some employees moved on to new chapters in their lives, we were able to add new members to our team. During the year, we also completed several successful fund-raising events, and evened out the playing field for children by providing them with an affordable, high quality inclusive summer camp experience. Finally, we ended the year with our time-honored tradition of supporting families and children during the holidays with a Walmart shopping spree. Children ages 2-15 and their families attended the shopping spree with gratitude and smiles of delight. These are all the things that made us proud at Therapy Solutions.

Now as we venture into 2023, we look forward to growing community partnerships with individuals and groups who share our vision of ensuring that, in a country where there are many resources, no one must be left behind because of ethnicity, social economic level, or disability/learning differences. We're also looking at ways to expand our therapeutic outreach to children. Our speech, occupational, and physical therapists along with special instructors are ready to continue helping our children be valuable, recognized members of the community and society.

Know that we all have the power to make change and to inspire others. Read about our upcoming events and stay connected with us on our website @ [www.therapysolutionsinc.com](http://www.therapysolutionsinc.com) and on social media @ <https://www.facebook.com/TherapySolutionsInc>, and [https://www.instagram.com/therapy\\_solutions\\_inc/](https://www.instagram.com/therapy_solutions_inc/).

We're looking forward to a bright 2023!  
**Barbara A. Coaxum, M.A.C.C.C.-SLP,BCS-F**

# 2022 in Review

[Check out our  
2022 Recap Video  
Here!](#)

## Girlfriend's Night Out

Girlfriend's Night Out came back in full swing after a long awaited 3 years! The evening started with a wine tasting followed by Designer Bag and Shoe Bingo. Participants danced the night away and went home with many prizes and good memories.

## Summer Camp

Summer Camp 2022 was full of laughs, adventure, learning, and fun! We swam in the pool, played at the park, and learned lessons about Ancient Egypt, Myths and Legends, and more. Our field trips took us all over the Philadelphia area, from the Philadelphia Zoo to a fan favorite, Funplex! You can watch more of our adventures by watching the **Therapy Solutions Summer Camp 2022 Video Here.**

SOCIALS

## Provider Appreciation

Our therapists impact the lives of children and their families daily by providing services all over Delaware and Philadelphia County. Providers were treated to lunch and received special thank you gifts for all of their hard work and dedication. Thank you, providers!

## Holiday Party

Lots of food and laughs were shared at this year's Holiday Party. We had a lot of winners at the event! Raffle tickets were sold to support our community, and the drawing occurred at the party. Then, the announcement of our Walmart Shopping Spree participants was made. In addition, we provided gift bags with educational toys and books to children in need in the Philadelphia area. What a night!

## Gift of Giving

Our Annual Walmart Shopping Spree took place on December 17, 2022, and it was a blast! Children ages 2 to 15 came to the event with their families where they were offered a complementary trip to shop for all of their holiday needs, from toys to clothes and other necessities. Thank you to everyone who donated and made this event possible.
