

# Therapy Solutions Summer Camp Newsletter

Week 1: 7/1/24 - 7/5/24

## This Week at Camp

Our campers enjoyed their first week of camp with our theme "Unique You." Campers got to talk about and explore their uniqueness along with their strengths and talents. They engaged in many activities that helped them recognize what made them special and practiced kindness towards each other by recognizing strengths in their peers and sharing compliments.

Campers had a great time at Finnegan's recreation center swimming, playing basketball and swinging. Our week ended with our campers continuing to explore emotions by going on their first camp trip to the movies to see "Inside Out 2".

# Notes From Camp Staff

## Here are some important reminders for next week:

- Our theme will change to “Inventor’s Week.”
- Please make sure to **send swimming gear every day** (except trip days) as we go swimming every day.
- Please send lunch daily.
- We will be going to Camden Aquarium on Friday, July 12th.
- If you haven't made your 2nd week's payment, don't forget to submit payment.
- We're excited for campers to start our next theme on Monday!!
